CAPTURED LIVE!

FOR BROADCAST: WEEK OF 7/30/84

PROGRAM OPERATION INSTRUCTIONS

This program is cleared solely for the one-time broadcast use of pre-cleared RKO RADIO NETWORK affiliates on the designated date and time scheduled by the network. It may not be copied or offered for resale under any circumstances. It may not be removed from the station's premises. This program album must be returned to PG Productions within 24 hours after broadcast. This program is contained on two high quality discs. On Band 1, side 1 there is a 1000hertz tone at "0" operating level for set-up references and purposes. VU meters should read + Db (100%) modulation.

Stopset times will vary depending on program content. Commercial inventory: Local station has three 60sec. avails. Network has 7 60 sec. avails. At all stopsets, network commercials precede local commercials.
